OLD PEOPLE 'S

Erasmus+

On Carnival day, 28th February, class 2A (24 pupils) of Scuola Media "Patrizi" in Recanati visited IRCE, an old people 's home in the town centre of Recanati.

First the pupils sang a greeting song , then they played BINGO with the guests helping them with the bingo scorecards.

The winners got kisses and warm hugs by the the pupils.

In the end the students sang some old and popular songs together with the old people.

It was a really nice experience and everybody had great fun.
